What happens when the most popular guy in school falls in love with his beautiful female equivalent?

A pompous Rahul is head over heels in love with Seema, a shy lady from the same school. After a whirlwind of innocent encounters, their teenage romance blossoms but the two never confess their love for each other. Friends and even a few teachers approve of their relationship which is no secret to anyone thanks to Rahul's flaunting nature.

Seema, on the other hand, finds it difficult to handle the unnecessary attention she gets due to Rahul's ostentatiousness. What follows is a series of misunderstandings and ego clashes causing them to drift apart.

Rahul loses his popularity, his numero uno status, his sanity and ultimately his love. By the time he realizes what he has lost, it's too late. He takes desperate measures to woo her back and win back her love. But will Rahul ever get back Seema? And will Seema ever realize how much Rahul loved her and all the misunderstandings that transpired between them? Is there really any room for misunderstandings in love? In today's world, can a person's first love ever be his last?

This teenage love story seeks answers to all these and more as it alternates between the past and the present events in the life of Rahul and makes you wonder; do all love stories have a happy ending? Or do all love stories end, ever?
